IMPLANTE DMEMORIES S S S

i polina korobkova am going to
investigate in real time whether
i am a machine or not am i
programmed by something or can i
still decide for myself this is not
a piece neither music this is
something which is not a part of
else but is here still at least for
now

polina korobkova: composition and
performance

arciorcano: arciorcano

johannes keller: arciorcano and
programming

michael kleine: artist / visual
decisions
